

Accessories for high purity equipment

- Pigtail gas tubes
- Gauges
- Compression fittings, hose nozzles and connecting nipples
- Gas failure detector and solenoid valve control
- Gas cylinder cabinets to TRG 280 and DIN EN 14470-2
- Solenoid valves in brass or stainless steel

Contents

- E10.07.01 Gauges and contact gauges
- E10.07.02 Compression fittings
- E10.07.03 Hose nozzles
- E10.07.04 Adapter nipples, connecting nipples
- E10.07.05 Solenoid valves in brass or stainless steel
- E10.07.06 solenoid valve control (Emergency shut-off for 5 or 10 solenoid valves)
- E10.07.07 Gas failure detector for 2, 4 and 10 signal registers
- E10.07.08 Gas cylinder cabinets to TRG 280 (outdoor) and DIN EN 14470-2 (indoor) on request
- E10.07.09 Pigtail gas tubes with hand connection HP600 (6mm)
- E10.07.10 Pigtail gas tubes with hand connection HP601 (3mm)
- E10.07.11 Corrugated metal hose with hand connection HP602 (6mm)
- E10.07.12 Pigtail gas tubes with hand connection HP603 (6mm)
- E10.07.13 Cylinder retainer
